To the Honourable the Legislative Assembly of the Province of British Columbia, in Legislature Assembled: The petition of the undersigned residents of the Province of British Columbia, states that:

We call for the full protection of the public land on the Argenta-Johnsons Landing Face by including this magnificent landscape within the Purcell Wilderness Conservancy, thereby completing the park from mountaintop to lake shore.

Your petitioners respectfully request that the Honourable House pass legislation to include the Mt. Willet Wilderness in the class A Purcell Wilderness Conservancy Provincial Park.
